Avondale Streets Crack Seal Program to begin Sept 12

Contractor crews working for the City of Avondale will begin sealing cracks on over 27 miles of roadway throughout the city beginning Monday, September 12. The work is expected to take approximately three to four weeks.

Sealing road cracks is a critical element of the “system” of preserving Avondale’s streets to assure longevity of pavements. Application of the crack seal material prevents water from seeping into soils supporting the road surface, and that helps underlying soils better support street layers.

Crews will be working mostly on residential roads and work hours are limited to 7:00 am-5:00pm on weekdays. Crews clean and prepare cracks in roadways, apply rubberized hot pour crack sealant to the cracks and clean up areas after the operation as needed. Arrangements will be made to provide adequate traffic control so that normal traffic flows will not typically be interrupted. Door hanger notices will be placed at homes notifying residents of the scheduled day wherever residential or on-street parking will be impacted.

In preparation, we would like to advise residents of the following:

- Please **DO NOT PARK ON THE STREET** on your scheduled application day.
- Flaggers, cones and barricades will be used to direct motorists away from the areas where the hot tar-like substance is being applied.
- Workers will be in the area during the time of application and will be available to help you with access to and from your home.
- On the day when your street is scheduled for the treatments, please avoid activities that may create water runoff into the streets (i.e.. washing cars, overwatering landscape).
- In case of inclement weather, work will be postponed until weather permits.

To contact a representative from Cactus Asphalt please call 623-980-8457. To contact a representative from the City of Avondale please call 623-249-9722.

Project Map is attached.

Avondale, Arizona is a community where people share a deep sense of pride in what has been accomplished and how far we have come. In Avondale, there is strong belief that the blending of a broad spectrum of cultures comes from a true sense of harmony throughout the community. Here, people and businesses are welcomed with open arms and supported in a way that exemplifies a dynamic, intelligent and driven city, ready to take on the future. Avondale is Aspiring. Achieving. Accelerating.
